

Happy New Year!

It's finally here...the first week of school! It seems like forever since we have all been together! LGS teachers and staff have been looking forward to the start of school for a long time! Greetings to our new Lake Garda School families. I look forward to meeting & working with you! And, welcome back to all of our returning families!

I will be sending weekly emails to share general information, upcoming important dates and flyers. Please take a few minutes to review these emails each Sunday. My goal is to keep you informed!

Information about summer reading and math was shared at the end of the school year and over the summer. It is also posted on the LGS website. (website link) Please have your child bring their summer math logs and reading game-boards or reading logs to their teacher this week.

We are going to make this year great!

Stefanie
